STAT

Thank you for your letter of May 31, regarding the Evans and Novak column in the May 16 Washington Post. Giving informal advice on the matter referred to in your letter does not appear to be within the scope of my responsibilities with the Select Committee on Intelligence. As part of the ongoing effort I am sure you are making to ascertain all of the relevant facts and circumstances pertaining to this matter, you may be interested in the attached article from the June 2 Washington Post. You also might want to consider consultation with the Committee on Armed Services, and with the Committee on Rules and Administration, which has oversight responsibility for the Office of Technology Assessment.

Sincerely,

Gary M. Chase,
Chief Counsel
